# Welcome to UnitedHealthcare Dental

---

UnitedHealthcare wants to make sure you are happy with your dental plan. If you have any questions, please call UnitedHealthcare Member Services at **1-877-901-7321**, TDD/TTY: **7-1-1**.

## Your list of main dentists and specialists

We have included a list of dentists in the Northeast service area who are in our plan. The list includes this information:

- Name, address and phone number
- Other languages spoken, if any
- Handicap access to the office
- If the office is taking new patients

## Meeting our quality standards

Your child will receive care from dentists who have been carefully screened before they could be part of our plan. All of our dentists go through a screening process before they are accepted into our plan. For each dentist, we check:

- Education, training and experience
- License and other paperwork
- The dentist's history

## What is a main dentist?

A main dentist can be a general dentist or a dentist who only treats children. This is the dentist who gives your child services that prevent teeth problems. This dentist also can fix most teeth problems. Your child's main dentist also can send your child to a specialist for teeth problems that are harder to fix, if that kind of treatment is needed.

Providers listed in this directory are current as of the date listed on the cover.  
Information is subject to change.

## How can I select or change my child's main dentist?

You can select or change main dentists by calling us toll-free at **1-877-901-7321**, TDD/TTY: **7-1-1**. Or you can visit our website at **uhc.com/DentalTX** to select a main dentist.

## Our list of dentists is always growing

We are adding dentists to our plan every day. Please contact Member Services or visit our website at **uhc.com/DentalTX** for the latest list of dentists in your area.

## We can help you find a dentist

If you have a hard time getting an appointment for your child, please call Member Services at **1-877-901-7321**, TDD/TTY: **7-1-1** and we will help you find a dentist nearby.

## The dentist you have now can treat your child

If you already have a main dentist for your child and the dentist is not on the list of providers, you can tell them to call UnitedHealthcare Dental at **1-877-901-7321**, TDD/TTY: **7-1-1**. You can call Member Services and give us your dentist's name and we will ask them to join the network.

## Interpreter services

If you would like to arrange for an interpreter to come to an appointment with you, please call Member Services. Interpreter services are also available for calls to Member Services.

You can request that this and any of the printed materials we send you be translated into another language or sent to you in a different format such as audio, larger print or Braille.

To request this directory in a different format or language, please call UnitedHealthcare at **1-877-901-7321**, TDD/TTY: **7-1-1**. We will provide this at no charge to you.

# Transportation services

## **Medical Transportation Program (MTP)**

MTP is a state administered program that provides Non-Emergency Medical Transportation (NEMT) services statewide for eligible Medicaid clients who have no other means of transportation to attend their covered healthcare appointments. MTP can help with rides to the doctor, dentist, hospital, drug store, and any other place you get Medicaid services.

For more information about services offered by MTP, clients, advocates and providers can call the toll free line at 1-877-633-8747. In order to be transferred to the appropriate transportation provider, clients are asked to have either their Medicaid ID number or ZIP code available at the time of the call.

## **Value-Added Services**

UnitedHealthcare Dental offers a variety of extra benefits when it comes to your child's dental care. Your child can earn rewards for good dental habits. Restrictions and limitations may apply.

- Si hay otros idiomas que se hablen
- Acceso para discapacitados al consultorio

## Llenando nuestros estándares de calidad

Su hijo recibirá los cuidados de parte de dentistas que han sido cuidadosamente seleccionados antes de que ellos puedan formar parte de nuestro plan. Todos nuestros dentistas pasan a través de un proceso de examinación antes de que sean aceptados dentro de nuestro plan. En cada dentista, nosotros revisamos:

- Sus estudios, entrenamiento y la experiencia que tienen
- Su licencia y otras documentaciones
- Su historia profesional

La lista de los proveedores anotados en este directorio se encuentra actualizada hasta la fecha que aparece en la cubierta. Esta información está sujeta a cambios.

## ¿Qué es un dentista principal?

Un dentista principal puede ser un dentista general o un dentista que solamente trata a niños. Es el dentista que le presta servicios a su hijo para prevenir problemas dentales. Este dentista también puede arreglar la mayoría de los problemas dentales. El dentista principal de su hijo también puede referirle a su hijo a un especialista por problemas dentales que son más difíciles de arreglar, si se necesita ese tipo de tratamiento.
