Your list of main dentists and specialists

We have included a list of dentists in the Harris service area who are in our plan. The list includes this information:

- Name, address and phone number
- Other languages spoken, if any
- Handicap access to the office
- If the office is taking new patients

Meeting our quality standards

Your child will receive care from dentists who have been carefully screened before they could be part of our plan. All of our dentists go through a screening process before they are accepted into our plan. For each dentist, we check:

- Education, training and experience
- License and other paperwork
- The dentist's history

What is a main dentist?

A main dentist can be a general dentist or a dentist who only treats children. This is the dentist who gives your child services that prevent teeth problems. This dentist also can fix most teeth problems. Your child's main dentist also can send your child to a specialist for teeth problems that are harder to fix, if that kind of treatment is needed.

Providers listed in this directory are current as of the date listed on the cover.
Information is subject to change.

How can I select or change my child's main dentist?

You can select or change main dentists by calling us toll-free at **1-877-901-7321**, TDD/TTY: **7-1-1**. Or you can visit our website at **uhc.com/DentalTX** to select a main dentist.

Our list of dentists is always growing

Transportation services

Medical Transportation Program (MTP)

MTP is a state administered program that provides Non-Emergency Medical Transportation (NEMT) services statewide for eligible Medicaid clients who have no other means of transportation to attend their covered healthcare appointments. MTP can help with rides to the doctor, dentist, hospital, drug store, and any other place you get Medicaid services.

For more information about services offered by MTP, clients, advocates and providers can call the toll free line at 1-877-633-8747. In order to be transferred to the appropriate transportation provider, clients are asked to have either their Medicaid ID number or ZIP code available at the time of the call.

Su lista de dentistas y especialistas principales

Hemos incluido una lista de los dentistas en el área de servicio de Harris que están en nuestro plan. La lista incluye la siguiente información:

- Nombre, dirección y número de teléfono.
- Si hay otros idiomas que se hablen.
- Acceso para discapacitados al consultorio.
- Si el consultorio está aceptando nuevos pacientes.

Llenando nuestros estándares de calidad

Su hijo recibirá los cuidados de parte de dentistas que han sido cuidadosamente seleccionados antes de que ellos puedan formar parte de nuestro plan. Todos nuestros dentistas pasan a través de un proceso de examinación antes de que sean aceptados dentro de nuestro plan. En cada dentista, nosotros revisamos:

- Sus estudios, entrenamiento y la experiencia que tienen.
- Su licencia y otras documentaciones.
- Su historia profesional.

La lista de los proveedores anotados en este directorio se encuentra actualizada hasta la fecha que aparece en la cubierta. Esta información está sujeta a cambios.

¿Qué es un dentista principal?

Un dentista principal puede ser un dentista general o un dentista que solamente trata a niños. Es el dentista que le presta servicios a su hijo para prevenir problemas dentales. Este dentista también puede arreglar la mayoría de los problemas dentales. El dentista principal de su hijo también puede referirle a su hijo a un especialista por problemas dentales que son más difíciles de arreglar, si se necesita ese tipo de tratamiento.
